

November 9, 2009

Dear Parents,

Beginning January 2010, we have contracted BBQ Street, located in Kennesaw, to cater lunch for our full day kindergarten- 6th grade classes. The cost of lunch will remain \$4.25 per day, but we will no longer be able to offer juice or water bottles as beverages. Please provide a drink for your student each day.

With the new caterer, we will begin a new system of ordering. Calendars will be sent out each month via email and will be posted on the website. You will pick which days you would like to order lunch for your child, attach a check for the full amount of lunch orders for the month and then return your calendar with payment by the date specified. These dates are firm and all orders need to be in by the due date. We will no longer offer same day ordering. I have attached the lunch menu for January, 2010. January orders will be due by December 14, 2009. Be sure and make a copy of your menu so you know which days your child has purchased a lunch. We will continue to offer pizza and ice cream on fundraiser Fridays. You may either pay for the pizza through the new ordering system or purchase tickets through Nancy Dorsey with a check payment only.

Sincerely,

Stacy Kotenko
Director of Student Services
